

DAY 32-1 :

ASSIGNMENT 2:

Task 2: Apply CSS to style the forms for a consistent look and feel that aligns with the company's branding.

ANSWER:

```
<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Contact Form</title>
  <style>
    /* Reset some default browser styles */
    body {
      margin: 0;
      font-family: Arial, sans-serif;
      background-image: url('c:\Users\Administrator\Downloads\peaceful-pier-
wallpaper.jpg'); /* Replace with your image path */
      background-size: cover; /* Ensure the background image covers the entire body */
      background-position: center; /* Center the background image */
      padding: 20px; /* Add padding to create space between content and background */
      color: #0c0707; /* Default text color */
    }

    form {
      margin: 20px auto;
      max-width: 600px; /* Limit form width for better readability */
      background-color: #77b8dffd(12, 11, 11, 0.8); /* Semi-transparent white background
for form */
      padding: 20px;
      border-radius: 8px;
    }

    label {
      display: block;
      margin-bottom: 5px;
      color: #12bcc2; /* Adjust color to match branding */
    }

    input[type="text"],
    input[type="email"],
    textarea {
      width: 100%;
      padding: 8px;
      margin-bottom: 10px;
```

```

        border: 1px solid #9e9cf5;
        border-radius: 4px;
        font-size: 14px;
    }

    textarea {
        resize: vertical; /* Allow vertical resizing of textarea */
    }

    button[type="submit"] {
        background-color: #4CAF50; /* Green background */
        color: rgb(19, 12, 12);
        padding: 10px 20px;
        border: none;
        border-radius: 4px;
        cursor: pointer;
        font-size: 16px;
    }

    button[type="submit"]:hover {
        background-color: #f70909; /* Darker green on hover */
    }

    #confirmation {
        display: none;
        background-color: rgba(17, 25, 134, 0.8); /* Semi-transparent white background for
confirmation message */
        padding: 10px;
        border-radius: 4px;
        margin-top: 10px;
    }
</style>
</head>
<body>
    <form id="contactForm">
        <label for="name">Name:</label>
        <input type="text" id="name" name="name" required><br><br>

        <label for="email">Email:</label>
        <input type="email" id="email" name="email" required><br><br>

        <label for="message">Message:</label><br>
        <textarea id="message" name="message" rows="4" required></textarea><br><br>

        <button type="submit">Submit</button>
    </form>

    <div id="confirmation">
        <p>Thank you for your message!</p>
    </div>

```

```
<script>
  // Accessing the form and adding a submit event listener
  var form = document.getElementById('contactForm');
  form.addEventListener('submit', function(event) {
    event.preventDefault(); // Prevent default form submission

    // Accessing form data
    var formData = new FormData(form);
    var name = formData.get('name');
    var email = formData.get('email');
    var message = formData.get('message');

    // Example: Displaying form data (you can process or send this data as needed)
    console.log('Name:', name);
    console.log('Email:', email);
    console.log('Message:', message);

    // Display confirmation message
    var confirmationDiv = document.getElementById('confirmation');
    confirmationDiv.style.display = 'block';

    // Optionally, you can reset the form after submission
    form.reset();
  });
</script>
</body>
</html>
```
